MUSIC

On Spotify SGRO's productions, including his own and collaborations, already surpassed 680.000 streams. His own fans call themselves the "SGROmunity" and create a connection between artist, music and fanbase, in general.

REFERENCES

Always performing, SGRO was booked for several venues such as Franz Ferdinand Club, 52° Club, Lagerhalle Osna-brück and teamed up with Louis Vuitton & ELBLINE Events UG for a boat party.

SGRO's STYLE

“SGRO” is a house project with its focus on Deep House and Future House. Pulsing basslines, danceable beats and dreamy, singable melodies mark SGRO's songs which are recognisable by his “signature sounds” which SGRO uses throughout his productions. SGRO works as a producer and songwriter for different genres and offers a broad variety in his SGREpertoire.

PRESS

“Something totally different; terrific (translated from German)” the NOZ describes SGRO’s performances and confirms the reactions and thoughts of the listeners.

OS-Radio 104.8 interviewed SGRO about his recent success with his latest releases and his work as a CEO and manager for his label CNTPD Records.
